

DATE

July 25-27, 2018

VENUE

JJ Pickle Commons Learning Center
10100 Burnet Rd., Bldg. 137 Austin, TX 78758

KEYNOTE SPEAKER

**Working to Fill the Dental Gap through
Dental-Medical Collaboration**
(1.5 CEU)

Presented by:

Patricia Braun, MD, MPH, FAAP

Patty Braun MD, MPH, FAAP is a Professor of Pediatrics, Family Medicine, Public Health and Dental Medicine at the University of Colorado where she conducts oral health disparity and health services research and program evaluation at the Adult and Children's Consortium for Research and Dissemination Science. She is the Chair-elect of the American Academy of Pediatrics Section of Oral Health Executive Committee and a past Santa Fe Group Fellow.

Course Description

The audience will hear about existing and emerging dental-medical collaboration models including: dental hygienists integrated into medical teams, coordinated dental referrals from medical offices, teledentistry using public and private dental hubs, and emerging caries management approaches.

Objectives

1. Describe existing and emerging dental-medical collaboration models.
2. Discuss the benefits and challenges of dental-medical collaboration.
3. Identify opportunities for dental-medical collaboration in Texas.

PACE
ACADEMY OF
GENERAL DENTISTRY
PROGRAM APPROVAL
FOR CONTINUING
EDUCATION

The Texas Oral Health Coalition is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing dental education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or any other applicable regulatory authority, or AGD endorsement. The current term of approval extends from 11/15/2015 to 11/14/2019. Provider ID #346144
