# TEXAS ORAL HEALTH CONFERENCE

A True Collaboration To Improve Oral Health In Texas

## Thank you for attending the 2021 Texas Oral Health Conference!

### Course and Conference Evaluations

- At the end of each course, a completion code will be announced. Place the code in the space to the right of each course title in the schedule above. It is your responsibility to record these codes to use later when completing your online course evaluation. Without this code, we will not be able to process your evaluation so you may receive credit for your continuing education. Please be sure to note this code for each course you attend.
- If you are a dentist seeking AGD credit, please include your AGD number on your evaluation form. A copy of your electronic Attendance Verification will be submitted to AGD on your behalf by TxOHC. Please retain a copy of the Attendance Verification for your records.
- To complete your online evaluation you will be prompted to enter your personal information. Please select all of your applicable credentials in order to receive continuing education credit for appropriate disciplines.
- In order to receive continuing education credit you are required to complete an evaluation for each course you attended. Please check all the courses you attended during the conference and once all are selected scroll down and select the "NEXT" button to continue.
- Enter the appropriate completion code for each course where indicated and follow the on-screen directions. Scroll down to find your next selected course and repeat the process. Select the "NEXT" button to continue. If the correct code is not entered you will not receive credit for that course.
- A summary of all courses and hours you attended should appear. If this summary is not correct, use the "PREVIOUS" button to go back and make corrections. Check to confirm all course selections and completion codes are correct. Completion codes are in ALL CAPS NO SPACES.
- Once you complete the online evaluation and confirm the information is correct, click the "SUBMIT" button. You may print off the page that pops up after submitting, or wait for the email to arrive in your inbox that immediately follows your submission to save or download.
